Loading profile default.xml
The macro hotkey is F9.
The 'Attack' hotkey is set to 'macro'.
Testing 'ingamefunctions' macro. If it gets stuck here, please update the 'ingamefunctions' by copying the 'ingamefunctions' folder from 'rom/devtools' to the game's 'interface/addons' folder and ensure MicroMacro is run as administrator.
MACRO Test: ok
[!] d303Fix is out of date.
Please update it by copying the '#d303fix' folder from 'rom/devtools' to the game's 'interface/addons' folder.
The macro hotkey is F9.
The 'Attack' hotkey is set to 'macro'.
No ranged skills specified in profile; Turning COMBAT_RANGED_PULL off.
Maximum range of range attack skills is less than COMBAT_DISTANCE 200. Reducing COMBAT_DISTANCE setting to 50.
[DEBUG] CPU Frequency 10000
